Deschutes County FY 2015 Goals and Objectives

Mission Statement

Enhancing the Lives of Citizens by Delivering Quality Services in a Cost-Effective Manner

Safe Communities: Protect the community through planning, preparedness, and coordinated public safety services.

- 1. Facilitate collaborative planning among county and community partners to enhance emergency preparedness.
- 2. Promote targeted prevention, diversion, and intervention programs to reduce recidivism and future demands on county services achieved through the continuum of incarceration, detention, and supervision services.
- 3. Respond to, investigate, and prosecute criminal activity to ensure the guilty are held accountable, the innocent are protected, and the rights of all citizens are respected.
- 4. Facilitate collaborative planning on county-wide communications and infrastructure.

Healthy People: Enhance and protect the health and well-being of the community through advocacy, education, and services.

- 1. Consider population health, wellness, safety, and multi-modal connectivity in the design and implementation of infrastructure.
- 2. Participate in defining and driving systems reform and alignment.
- 3. Ensure children, youth, and families are protected, healthy, and successful.
- 4. Provide timely access to quality and affordable health care for the most vulnerable populations.
- 5. Assess, preserve, promote, and protect the basic health and wellness of residents.
- 6. Provide physical and behavioral health treatment and support services to meet the needs of the community.
- 7. Promote preventive health through partnerships, community education, outreach, and advocacy.

Robust Economy: Promote policies and actions that stimulate economic vitality.

- 1. Initiate strategic capital programming, including transportation and communications infrastructure, construction, and other needs.
- 2. Partner with organizations that stimulate economic vitality.
- 3. Provide cost-efficient and innovative infrastructure that supports local economic opportunities and livable communities.
- 4. Support land use policies that promote beneficial utilization of the land for economic growth.
- 5. Support beneficial management and access policies of publicly owned natural resources to promote tourism and recreational activities.
- 6. Pursue inter-jurisdictional and interdepartmental cooperation to enhance service delivery and the cost-effectiveness of public services.

Management of Natural Resources: Promote environmental stewardship through assessment, advocacy, and collaboration.

- 1. Partner with community members and appropriate agencies to preserve and protect South County's water resources.
- 2. Educate the public and enforce policies regarding noxious weed control and eradication.
- 3. Support healthy and sustainable forest and public land management practices and oversight.
- 4. Enhance and protect air, land, and water resources.

Effective Service Delivery: Maintain confidence in Deschutes County through sound fiscal management and responsiveness to the public.
