Summary 175 words which concisely and impartially summarizes the measure and its major effect.		
<p>This measure amends the City of Bend Charter of 1995. Currently, the Charter provides for councilor compensation of \$200 each month plus reimbursement for expenses incurred in serving the City, consistent with the plan for reimbursing City personnel. The amendment would take compensation for council members and the mayor out of the Charter, to be set by Council ordinance, based on a recommendation of an independent advisory committee. The amendment would continue the compensation for current councilors at \$200 per month until the end of their terms.</p> <p>The Oregon Constitution gives voters the right to adopt, amend and revise a charter. The Bend Charter grants legal home rule authority to the City and sets the duties of the council, mayor and city manager. The Charter was submitted to and approved by the voters of the City of Bend in May of 1995.</p>
