Shall the legal voters of City of Sisters approve the proposed amendments to the municipal charter?		
Summary 175 words which concisely and impartially summarizes the measure and its major effect.		
Similar to a constitution, a municipal charter is a written instrument governing how a municipal government functions. If this measure is approved, the city's current charter, adopted in 1948 and last amended in 2003, would be amended by the proposed amendments. Many current charter provisions are outdated and hinder effective and efficient municipal operations. Among other things, the proposed amendments would (1) clarify certain city manager responsibilities, (2) permit the council to adopt council rules through resolution, (3) remove certain charter sections that may not be in conformity with state law, and (4) remove gender specific pronouns throughout the charter. A description of the proposed charter amendments is available for public inspection on the City of Sisters website (https://www.ci.sisters.or.us) and at City Hall.
