Five Year Local Option Tax Renewal for District Dust Abatement

**Question** 20 words which plainly phrases the chief purpose of the measure.

Shall District impose \$0.60 per \$1000 of assessed property value for dust abatement for 5 years beginning in 2025. This measure renews current local option taxes.

**Summary** 175 words which concisely and impartially summarizes the measure and its major effect.

Newberry Estates Special Road District "District" covers road repairs, snow removal, grading, weed control and fire break/vehicle safety corridor for all roads within the District from its general fund.

The District has a separate local option tax levy for annual Dust Abatement Application that will expire at the end of this year. To continue this service the District is proposing a levy of \$0.60 per \$1000, or \$60 per \$100,000 of assessed property value for a five year period beginning in 2025.

The current annual cost to apply dust abatement materials is approximately \$25,000. Our current levy generates approximately \$13,000 annually leaving a large gap that must be paid from the District's general fund.

This measure is estimated to generate approximately \$19,500 in 2024-2025, \$20,085 in 2025-2026, \$20,688 in 2026-2027, \$21,308 in 2027-2028 and \$21,947 in 2028-2029 for an estimated total of \$103,528 over five years. This will allow for continuation of the successful dust abatement program in the spring of each year.

**Explanatory Statement** 500 words that impartially explains the measure and its effect.

If the county is producing a voters' pamphlet an explanatory statement must be drafted and attached to this form for:

→ any measure referred by the district elections authority; or  
→ any initiative or referendum, if required by local ordinance.

Explanatory Statement Attached?  Yes  No
