Surcharges: 340-071-0140 Onsite System Fees

(10) DEQ surcharge. (a) To offset a portion of the administrative and program oversight costs of the statewide onsite wastewater management program, DEQ and contract counties must levy a surcharge for each site evaluation, report permit and other activity for which an application is required in this division. The surcharge fee is is listed in Table 9F as determined by DEQ. This surcharge does not apply to pumper truck inspections, annual report evaluation fees, or certification of installers or maintenance providers. Proceeds from surcharges collected by DEQ and contract counts must be accounted for separately. Each contract county must forward the proceeds to DEQ in accordance with its agreement with the DEQ.

**The Division of Medical Assistance Programs, a branch of the Oregon Department of Human Services, permits cost

driven fee adjustments that are based upon a DMAP approved actuarial model completed in accordance with that model.

The model used for this adjustment has been approved by DMAP.

Note: There may be some variation in charges based on different programs and whether services are performed in the clinic or out of the clinic. Additionally, most fees are based on sliding scale according to Federal Poverty income guidelines.
