QUESTIONS

The following information does not change the details of the Request for Proposal and is provided for informational purposes only.

Q1: On question 3 under strategic planning/vendor selection e.g., how is the rebidding process handled, can you clarify what you mean by 'rebidding'? Our assumption is this is referring to a carrier/TPA/vendor RFP or vendor selection, but want to ensure we are answering the question correctly

A1: The assumption is correct in this question. All our benefits vendors would go through the same RFP process to rebid on services.

The original deadline for proposal submissions identified in the RFP for this project **has changed to, May 12, 2025 at 5:00 PM PST.**
