

# Solid Waste: Planning for the Future

## Join us for an Open House

Please join us to learn and help shape future opportunities for waste reduction, reuse and recycling in Deschutes County.

Knott Landfill will reach capacity within 10 years. Before it is full, we'll need to decide what to do with the more than 200,000 tons of waste that is disposed of each year. We are evaluating the economic and environmental impacts of a variety of disposal options. ***We want to hear from you as we explore opportunities to reduce waste, extend the life of the landfill and help keep rates affordable.***

Learn how solid waste is managed and what you can do to help

- ✓ Get an update on development of the Solid Waste Management Plan
- ✓ Talk with staff and experts about future opportunities to reduce waste
- ✓ Provide your thoughts and feedback
- ✓ Refreshments will be provided

Monday, June 25, 2018

Deschutes County  
1300 NW Wall Street, Bend

6:00 Open House  
6:30 Presentation  
7:00 Open House  
7:30 Adjourn

## ***Creating a Roadmap for a Sustainable Future***

Deschutes County encourages persons with disabilities to participate in all programs and activities. This event/location is accessible to people with disabilities. If you need accommodations to make participation possible, please call (541) 317-3163 or email [accessibility@deschutes.org](mailto:accessibility@deschutes.org).
