Hi there,
I am writing to support the expansion of a recycling service in South County. I have lived in the Deschutes River Recreational Homesites neighborhood for 20 years and have always delivered my recyclables to nearby locations (First the Sunriver Owners Association location between circles 3 and 4, and now we take our things to the transfer station between Sunriver and LaPine). I would absolutely pay the extra fee for a pickup service at my home every other week. I strongly support this.
Thank you for taking the time to read my letter of support.
