Hi there! We are residents of Caldera Springs outside Sunriver and are heartily in favor of offering curbside recycling. As it stands now, we have to make multiple trips to different places to recycle our goods--the Transfer station for cardboard, the bottle deposit, a friend's home in Bend that offers it, etc. And some things sadly slip through the cracks.

I know that all of the citizens of Caldera Springs would wholeheartedly support the extra fee to ensure we get periodic curbside recycling. Thanks for promoting this so we can help keep Oregon and Deschutes County green!
