Hello Tim,

We are homeowners in Sunriver/Caldera Springs and I just wanted to drop a brief note in regards to the Expansion of curbside Recycling pickup.

I believe it's a wonderful idea and we are in favor of it.

Especially in a community with so many vacation rentals, both in Sunriver and Caldera, people on vacation do not always feel like spending extra time bringing recycling to designated centers. It often just ends up in the regular trash. Having easily accessible recycling available would be so much more convenient and environmentally friendly. I believe a small cost increase of \$6 per month is a small investment to a potentially big impact.

Thank you for your kind attention.

With best regards,
Ulrike Koehne
