Good day to you,

I am very happy to hear of the possibility of having curbside recycling. My husband and I moved DRRH in 1975, after getting married...all these years of going to the dump...my husband was killed and it's just me dealing with the recycling...it would be a blessing to have this service for many of us living in this beautiful area...please make this become a reality for our community.

Thank you kindly

Sandra Pestka [Warwagon42@gmail.com](mailto:Warwagon42@gmail.com)
