Hello,

I am writing in support of allowing Republic Services to provide commingle recycling service to areas south of Sunriver. We live full-time in the Caldera Springs development just south of the Sunriver Business Park. We currently take our recycling to the La Pine transfer station, but would prefer the convenience of having it picked up at our curbside. I believe it would incentivize more of our neighbors to recycle, as many of them are not here full-time and do not take the extra effort to take their recycling to La Pine before they leave their homes after an extended stay.

I would be happy to answer questions about my support.

Thank you,
Doreen Jarman
