Dear Mr. Brownell,

I am a homeowner in Caldera Springs, which is located south of Sunriver. I am very interested in receiving residential commingle recycling services in my neighborhood. While our family endeavors to drop off our recycling at the La Pine Recycling Center, we often do not do it. This means more trash enters the landfill than need be. I am more than happy to pay an extra \$6 per month to make recycling more convenient for Caldera residents and to reduce landfill waste.

Thank you,
Mindy Laponis
