We have owned a home in OWW2 for over 20 years and have wanted to have curbside recycling for all of that time! Now that the Sunriver recycling center has been closed, it is a burden to go to the Knott Landfill to drop everything off, but we do it.

We are 100% in support of adding a curbside recycling program to our area, and will gladly pay the \$6 a month towards it.

Please stop dilly-dallying and just get this done!
